INFORMATION DISCLOSURE STATEMENT

Sir:

In connection with the receipt of a European Search Report dated September 8, 2006, which is directed to the foreign counterpart of the above-identified application. Applicant submits herewith publications of which applicant is aware that may be material to the examination of this application, and in respect of which, applicant may have a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made, an admission that the information cited is, or is considered to be, material to patentability, or that no other material exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

Respectfully submitted,

Date: 12/13/06
